Any term defined by reference to an agreement, instrument or other document shall have the meaning so assigned to it whether or not such document is in effect. Unless otherwise indicated, references in this Agreement to articles, sections, paragraphs, clauses, appendices, schedules and exhibits are to the same contained in or attached to this Agreement.

ARTICLE II PARTICIPATION IN SALE AND LEASEBACK OF UNDIVIDED INTEREST

SECTION 2.01. Participation by Owner Participant. Subject to the conditions set forth in Section 3.01, on the Closing Date the Owner Participant shall participate in the payment of the Purchase Price for the Undivided Interest to be purchased by the Owner Trustee by making an equity investment in the beneficial ownership of the Undivided Interest (the "*Investment*") in an amount equal to the product of (i) the Owner Participant's Percentage and (ii) the Purchase Price. The amount of the Investment is hereinafter called the "*Investment Amount*". The Owner Participant shall make the Investment by transferring the Investment Amount in immediately available funds to an account of the Owner Trustee (to be specified by the Owner Trustee to the Owner Participant and the Original Loan Participants prior to the Closing Date) maintained at The Bank of New York, New York, New York, or at such other place as the Owner Trustee shall specify to the Owner Participant and the Original Loan Participants, before 1:00 p.m., New York City time, on the Closing Date.

SECTION 2.02. Addition of Original Loan Participants as Parties hereto. The Owner Trustee and the Owner Participant hereby authorize and direct the Lessee and its agents (who may include Goldman Sachs), on behalf of the Owner Trustee, to arrange for one or more commercial banks or other financial institutions, acceptable to the Owner Participant, to become parties to this Agreement as Original Loan Participants. Upon the execution and delivery of the Participation Agreement Supplement by the Lessee, the Owner Participant and such banks and/or other financial institutions, each such bank or other financial institution (i) shall become a party to this Agreement as an Original Loan Participant, (ii) shall enjoy all of the rights of an Original Loan Participant under this Agreement and the other Transaction Documents and (iii) shall assume all of the obligations of an Original Loan Participant under this Agreement and the other Transaction Documents, including (without limitation) the obligation to make a secured loan on the Closing Date to the Owner Trustee pursuant to the provisions of Section 2.03.

SECTION 2.03. Participation by Original Loan Participants. Subject to the conditions set forth in Section 3.01, on the Closing Date each Original Loan Participant shall participate in the payment of the Purchase Price for the Undivided Interest to be purchased by the Owner Trustee by making a secured loan to the Owner Trustee (a "*Loan*") in an amount equal to the product of (i) such Original Loan Participant's Percentage and (ii) the Purchase Price. Each Loan shall be evidenced by an Initial Series Note (or Initial Series Notes) of like principal amount (or like aggregate principal amount) issued in the name of the Original Loan Participant making such Loan or its designee. The obligation of each Original Loan Participant to make a Loan in the amount specified above is hereinafter called such "*Original Loan Participant's Commitment*". Each Original Loan Participant shall make its Loan by transferring the amount thereof in immediately available funds to the account of the Owner Trustee referred to in Section 2.01, or at such other place as the Owner Trustee shall specify pursuant to Section 2.01, before 1:00 p.m., New York City time, on the Closing Date.

SECTION 2.04. **Time and Place of Closing.** On or prior to the Closing Date, the Lessee shall deliver the Notice of Closing to the Owner Participant, each Original Loan Participant, the Owner Trustee and the Indenture Trustee. The Closing shall take place beginning at 10:00 a.m., New York City time, on the Closing Date, at the offices of Simpson Thacher & Bartlett, 425 Lexington Avenue, New York, New York 10017-3909.

SECTION 2.05. **Transactions To Occur on Closing Date.** On the Closing Date, subject to the fulfillment or waiver of the conditions precedent set forth in Article III:

(a) the Lessee (i) by executing and delivering the Bill of Sale and the other Purchase Documents, shall assign, set over, sell and deliver to the Owner Trustee all its right, title and interest in and to the Undivided Interest, (ii) by executing and delivering the Ground Lease, shall lease the Unit 2 Site Interest and grant the Easements and certain other rights to the Owner Trustee, (iii) by executing and delivering the Lease, shall lease the Undivided Interest and sublease the Unit 2 Site Interest back from the Owner Trustee, and (iv) by executing and delivering the Unit 2 Operating Agreement, shall grant certain rights and transfer certain obligations to the Owner Trustee in connection with the operation and maintenance of Unit 2 after the Lease Termination Date;

(b) the Owner Trustee (i) by executing and delivering the Indenture, shall grant security for the Initial Series Notes and any Additional Notes that may be issued from time to time, (ii) by creating, issuing and, after authentication thereof by the Indenture Trustee, selling and instructing the Indenture Trustee to deliver the Initial Series Notes, shall borrow from the Original Loan Participants an amount equal to the aggregate of the Original Loan Participants' Commitments, (iii) with the proceeds of the Loans made by the Original Loan Participants and of the Investment made by the Owner Participant, shall purchase all right, title and interest of the Lessee in and to the Undivided Interest by transferring an amount equal to the Purchase Price in accordance with the instructions set forth in the Notice of Closing and accepting delivery of the Bill of Sale and the other Purchase Documents, (iv) by executing and delivering the Ground Lease, shall lease the Unit 2 Site Interest and accept the grant of the Easements and other rights from the Lessee, (v) by executing and delivering the Lease, shall lease the Undivided Interest and sublease the Unit 2 Site Interest to the Lessee, and (vi) by executing and delivering the Unit 2 Operating Agreement, shall acquire certain rights and assume certain obligations of the Lessee in connection with the operation and maintenance of Unit 2 after the Lease Termination Date;

(c) the Indenture Trustee shall execute and deliver the Indenture and shall authenticate and deliver the Initial Series Notes; and

(d) the Owner Participant shall make the Investment and authorize and direct the Owner Trustee to take the actions specified in clause (b) above, and the Original Loan Participants shall make the Loans against delivery of the Initial Series Notes.

SECTION 2.06. **Refunding.** (a) *Refunding of Initial Series Notes.* The Original Loan Participants, the Owner Participant, the Owner Trustee and the Lessee agree that, notwithstanding the stated maturity of the Initial Series Notes, it is the intention of such parties that such Notes will remain outstanding for not more than two years, and that such Notes will be refunded in full (though not necessarily all at one time) before December 31, 1991. Accordingly, the Owner Participant agrees that, prior to such date, subject to the fulfillment on or before each Refunding Date of the conditions set forth in Section 2.06(e) that are not to be performed or complied with by the Owner Participant or the Owner Trustee, the Owner Participant shall cause the Owner Trustee to refund the Initial Series Notes in full with the proceeds of Refunding Loans made at one time or from time to time to the Owner Trustee. The proceeds of such Refunding Loans shall be paid directly to the Indenture Trustee at the Indenture Trustee's Office in immediately available funds. Such Refunding Loans shall be evidenced by one or more tranches or series of Refunding Notes of a credit quality comparable to the long term securities of public utilities of size and credit quality similar to the Lessee, which Notes shall be issued by the Owner Trustee and authenticated by the Indenture Trustee under and pursuant to the Indenture, shall be in an aggregate principal amount equal to such Refunding Loans, shall have

a weighted average life to maturity of approximately 23 years, shall have a final maturity which shall be no later than the 33rd anniversary of the Closing Date, shall bear interest at a fixed rate or fixed rates per annum and shall be payable as set forth in or determined under the Indenture.

The Owner Participant further agrees that, in connection with the refunding of the Initial Series Notes, it shall engage the services of Goldman Sachs or another investment banking firm acceptable to the Lessee to obtain commitments to make Refunding Loans meeting the requirements of the preceding paragraph, and that it shall act on the advice of Goldman Sachs or such other investment banking firm in determining, consistent with the requirements of the preceding paragraph, the appropriate time or times to effect any such refunding and the terms and conditions of the Refunding Notes to be issued in connection therewith, including, without limitation, the number of tranches or series of such Refunding Notes, the interest rate or rates applicable thereto (which shall be reflective of actual market conditions) and the amortization schedules applicable to the tranches or series of such Refunding Notes, so as to minimize the amounts of the installments of Basic Rent payable by the Lessee during the Basic Lease Term, while preserving the Owner Participant's Initial Theoretical Return. Any refunding of Initial Series Notes effected pursuant to this Section 2.06(a) shall be at the expense of the Lessee and, if requested by the Owner Participant, with the Lessee's assistance.

In the case of any refunding of Initial Series Notes, the adjustment of the percentages for Basic Rent, Stipulated Loss Value and Termination Value pursuant to Section 3(d) of the Lease shall be effected in such a manner as to provide to the Lessee, consistent with the requirements of Section 3(d) of the Lease, the net savings in interest expense, if any, accruing as a result of such refunding.

(b) *Refunding of Additional Notes.* The Owner Participant may at any time and from time to time, at its option and expense, cause the Owner Trustee to refund all or a portion (not less than \$8,000,000 aggregate principal amount) of the Additional Notes Outstanding with the proceeds of Refunding Loans, *provided* that each such refunding shall be subject to the fulfillment on or before the applicable Refunding Date of the conditions set forth in Section 2.06(e) that are not to be performed or complied with by the Owner Participant or the Owner Trustee, and that no refunding pursuant to this Section 2.06(b) shall occur (i) so long as any Initial Series Notes are Outstanding, (ii) if a prior refunding pursuant to this Section 2.06(b) shall have occurred within the preceding 24 months, (iii) if four refundings pursuant to this Section 2.06(b) shall have occurred or (iv) if, through the adjustments contemplated by Section 3(d) of the Lease, such refunding would result in any increase in the Basic Rent, Stipulated Loss Value or Termination Value payable by the Lessee under the Lease. The proceeds of such Refunding Loans shall be paid directly to the Indenture Trustee at the Indenture Trustee's Office in immediately available funds. Such Refunding Loans shall be evidenced by one or more tranches or series of Refunding Notes, which Notes shall be issued by the Owner Trustee and authenticated by the Indenture Trustee under and pursuant to the Indenture, shall be in an aggregate principal amount equal to such Refunding Loans, shall have a weighted average life to maturity as determined below, shall bear interest at a fixed rate or fixed rates per annum, shall be payable as set forth in or determined under the Indenture and shall be of Investment Grade Quality.

The Owner Participant, the Owner Trustee and the Lessee acknowledge that, so long as the Owner Participant's Initial Theoretical Return is preserved, it is in their best interests to effect a reduction in the amounts of the installments of Basic Rent payable by the Lessee during the Basic Lease Term. Accordingly, the Owner Participant agrees to use its best efforts to effect a refunding of Additional Notes permitted by the provisions of the preceding paragraph at such time or times as, in the judgment of Goldman Sachs or another investment banking firm acceptable to the Lessee, the prevailing interest rates for long term debt and market conditions will permit the issuance of Refunding Notes at an interest rate or rates that will result in a significant reduction in such amounts. Any refunding effected pursuant to the preceding sentence shall be at the expense of the Lessee and, if requested by the Owner Participant, with the Lessee's assistance.

In connection with any refunding of Additional Notes, the Owner Participant shall seek the advice of Goldman Sachs or another investment banking firm acceptable to the Lessee in determining the number of tranches or series of Refunding Notes to be issued therefor and the interest rate or rates applicable thereto (which shall be reflective of actual market conditions) and, based on such determination, the Owner Participant shall determine the principal amount, the amortization schedule

and the weighted average life to maturity applicable to all tranches or series of Refunding Notes (provided that the aggregate weighted average life to maturity of all such Refunding Notes shall not vary from the aggregate weighted average life to maturity reflected in the debt amortization schedule for the Initial Series Notes by more than 18 months), including the final maturities thereof (which shall be no later than the date which is the 33rd anniversary of the Closing Date), so as to minimize the amounts of the installments of Basic Rent payable by the Lessee during the Basic Lease Term, while preserving the Owner Participant's Initial Theoretical Return.

In the case of any refunding of Additional Notes, the adjustment of the percentages for Basic Rent, Stipulated Loss Value and Termination Value pursuant to Section 3(d) of the Lease shall be effected in such a manner as to provide to the Lessee, consistent with the requirements of Section 3(d) of the Lease, the net savings in interest expense accruing as a result of such refunding.

(c) *Refunding Loans by Funding Corporation.* Funding Corporation agrees, upon the Owner Participant's request at any time and from time to time, subject to the fulfilment on or before the applicable Refunding Date of the conditions set forth in Section 2.06(e), to make a Refunding Loan to the Owner Trustee with the proceeds of the sale of Refunding Bonds in an amount equal to all or a portion (not less than \$8,000,000) of the amount necessary to refund the Notes Outstanding pursuant to Section 2.06(a) or 2.06(b), as specified by the Owner Participant on the advice of Goldman Sachs or another investment banking firm acceptable to the Lessee.

(d) *Cooperation.* Each of the Lessee, the Owner Trustee, the Owner Participant, each Loan Participant and Funding Corporation agrees that it will cooperate in connection with any refunding of the Notes and any Refunding Loan and that it will enter into such additional agreements and such supplements or amendments to or consents under each of the Transaction Documents as may reasonably be requested by the Owner Participant to effectuate the same.

(e) *Conditions to Refunding.* In addition to the limitations set forth in Sections 2.06(a) and 2.06(b), the obligations of the Owner Participant, the Loan Participants and Funding Corporation to participate in a refunding of any Outstanding Notes, as provided in said Sections, shall be subject to the fulfillment on or before the applicable Refunding Date of the following conditions precedent (each instrument, document, certificate, opinion or other writing to be in form and substance satisfactory to the Owner Participant and the Loan Participants and, if Funding Corporation is to make a Refunding Loan, Funding Corporation):

(1) *Authentication Request, etc.* The Owner Trustee shall have delivered to the Indenture Trustee a request, dated the applicable Refunding Date, authorizing the Indenture Trustee to authenticate and deliver the Notes to be issued on such date pursuant to Section 3.05 of the Indenture.

(2) *Notes and Bond Transactions.* (A) The Loan Participants shall have received (x) if and to the extent that the Loan Participant is Funding Corporation, the proceeds from the sale of Refunding Bonds in an amount sufficient to make the Refunding Loan and (y) from the Lessee (as a special payment of Basic Rent, if the Refunding Date shall be a date other than a Basic Rent Payment Date), an amount equal to accrued interest on the Outstanding Notes from, and including, the later of the date thereof or the date to which interest thereon shall have been paid, to, but excluding, the applicable Refunding Date, (B) the Owner Trustee shall have executed, and the Indenture Trustee shall have authenticated and delivered, to or upon the order of the respective Loan Participants, the Notes evidencing the Refunding Loan, and (C) if and to the extent that the Loan Participant is Funding Corporation, the Collateral Trust Trustee shall have accepted the Refunding Supplemental Indenture subjecting the Refunding Notes to the lien and security interest of the Collateral Trust Indenture.

(3) *No Default.* No Event of Default or Indenture Event of Default shall have occurred and be continuing, no Event of Loss shall have occurred and no Deemed Loss Event shall have occurred with respect to which the Lessor shall have demanded payment under Section 9(d) of the Lease.

(4) *Representations and Warranties.* In the case of the Loan Participants, the representations and warranties of the Owner Participant, of Wilmington Trust Company and the Owner Trustee, and of the Lessee set forth in Sections 5.02, 5.04 and 5.01, respectively, shall be true and correct on and as of the applicable Refunding Date with the same effect as though made on and as of such date (with all references to the Closing Date in such representations and warranties being changed to a reference to the applicable Refunding Date); in the case of the Owner Participant, the representations and warranties of Wilmington Trust Company and the Owner Trustee, and of the Lessee set forth in Sections 5.04 and 5.01, respectively, and, if Funding Corporation is a Loan Participant, the representations and warranties of Funding Corporation set forth in Section 5.06, shall be true and correct on and as of such Refunding Date with the same effect as though made on and as of such date (with all references to the Closing Date being changed as appropriate); the Loan Participants and the Owner Participant shall have received appropriate certificates, dated the applicable Refunding Date, to such effect (and, in the case of the certificate of the Lessee, to the effect set forth in paragraph (3) above, except as to the absence of an Indenture Event of Default); and the Owner Participant, Wilmington Trust Company and the Owner Trustee, and the Lessee shall have made such additional representations and warranties as of the applicable Refunding Date as the Owner Participant, the Loan Participants or Funding Corporation shall have reasonably requested.

(5) *Registration Statement.* If Funding Corporation is a Loan Participant, and the Refunding Bonds are to be sold in a public offering, the Owner Participant and, if the Initial Series Notes are being refunded, the Original Loan Participants, shall have received an Officers' Certificate of the Lessee, dated the applicable Refunding Date, to the effect that on the date it became effective and on the applicable Refunding Date, the Registration Statement did not and does not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements contained therein not misleading.

(6) *Governmental Action.* The Lessee shall have obtained or caused to have been obtained, and shall have delivered to the Owner Participant and the Loan Participants copies of documents or other evidence of, all Governmental Action (including, without limitation, any necessary approval of the SEC under the Holding Company Act or the Investment Company Act and any necessary order of the IURC) required in connection with the issuance of the Refunding Notes and the Refunding Bonds, if any.

(7) *Opinions of Counsel.* The Owner Participant and the Loan Participants shall have received a favorable opinion of Funding Corporation's Special Counsel, dated the applicable Refunding Date and addressed to the Owner Participant and the Loan Participants, addressing such matters relating to the transactions in connection with the Refunding Notes and the Refunding Bonds, if any, as the Owner Participant or the Loan Participants may reasonably request. The Owner Participant and the Loan Participants shall have received favorable opinions of Owner Participant's Special Counsel, Owner Participant's Special Indiana Counsel, Owner Trustee's Counsel, Indenture Trustee's Counsel, Lessee's Special Counsel, Lessee's Counsel and Lessee's Special Indiana Counsel, each dated the applicable Refunding Date and addressed to the Owner Participant and the Loan Participants, addressing such matters relating to the transactions in connection with the Refunding Notes and the Refunding Bonds, if any, as the Owner Participant or the Loan Participants may reasonably request.

(8) *Receipt of Documents.* If Funding Corporation is a Loan Participant, Funding Corporation and the Collateral Trust Trustee shall have received copies of all documents previously delivered to the Original Loan Participants pursuant to Section 3.01.

(9) *Satisfaction of Underwriting Agreement Conditions.* If Funding Corporation is a Loan Participant, all of the conditions precedent to Funding Corporation's obligations under any Underwriting Agreement shall have been fulfilled or waived by Funding Corporation.

(10) *Securities Act Indemnification.* The Owner Participant shall have received from the Lessee a written indemnity, in form and substance satisfactory to it, with respect to all Expenses

that may be incurred by it with respect to the Securities Act and the rules and regulations of the SEC thereunder.

(11) *Availability of Refunding Loans.* There shall have been obtained from one or more financial institutions or other entities (which may include Funding Corporation) Refunding Loans on substantially the terms and conditions set forth in Section 2.06(a) or 2.06(b), as the case may be.

(12) *Accounting Treatment.* In the case of the refunding of any Outstanding Notes other than the Initial Series Notes, the Refunding Loans shall not require the transaction effected pursuant to the Lease to be classified by the Owner Participant as other than a leveraged lease as defined under then current generally accepted accounting principles for leveraged leases if such classification would have a material adverse effect on the Owner Participant.

(m) *No Default, etc.* No condition exists that constitutes, or with the giving of notice or lapse of time or both would constitute, an event of default by the Lessee under any indenture, mortgage, loan agreement, lease or other material agreement or material instrument to which the Lessee is a party or by which it or any of its properties may be bound.

(n) *Certain Documents.* True and correct copies of the Rockport Plant Agreements have been delivered to the Owner Participant's Special Counsel and the Original Loan Participants' Special Counsel on or prior to the date of execution hereof. To the best of the Lessee's knowledge after due inquiry, conditions at Unit 2 and the Rockport Plant Site (i) on the Contract Date do not violate any Applicable Law protecting the environment that could result in the imposition of any liability on the Owner Trustee or the Owner Participant or that could have a material adverse effect on the value of Unit 2 and (ii) on the Closing Date will not violate any Applicable Law protecting the environment that could result in the imposition of any material liability on the Owner Trustee or the Owner Participant or that could have a material adverse effect on the value of Unit 2, except as indicated in the environmental report dated January 31, 1989, prepared by Hunton & Williams for, among others, the Owner Participant, and except as otherwise disclosed by the Lessee to the Owner Participant in writing prior to the Contract Date.

(b) *Due Authorization; No Conflict.* Each of the Transaction Documents to which the Owner Participant is or is to become a party has been duly authorized by all necessary corporate action on the part of the Owner Participant and has been, or on the Closing Date will have been, duly executed and delivered by the Owner Participant, and the execution, delivery and performance thereof by the Owner Participant do not, and on the Closing Date will not, (i) require any approval of the stockholders of the Owner Participant or any approval or consent of any trustee or holder of any indebtedness or obligation of the Owner Participant, (ii) contravene any Applicable Law binding on the Owner Participant (except no representation and warranty is made as to any Applicable Law to which the Owner Participant may be subject because of the activities of the Lessee), or (iii) contravene or result in any breach of or constitute any default under, or result in the creation of any Lien upon the Trust Estate under, the Owner Participant's charter or by-laws or any indenture, mortgage, loan agreement, lease or other agreement or instrument to which the Owner Participant is a party or by which the Owner Participant or any of its properties is bound.

(c) *Enforceability.* Each of the Transaction Documents to which the Owner Participant is or is to become a party constitutes, or, when executed and delivered by the Owner Participant, will constitute, the legal, valid and binding obligation of the Owner Participant, enforceable against the Owner Participant in accordance with the terms thereof, except as enforceability may be limited by bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting the enforcement of creditors' rights generally and by general principles of equity.

(d) *Litigation.* There is no action, suit or proceeding pending or, to the knowledge of the Owner Participant, threatened against the Owner Participant before or by any Governmental Authority that questions the validity or enforceability of this Agreement or any other Transaction Document to which the Owner Participant is or is to become a party or that will have a material

On the Closing Date, neither such Original Loan Participant nor anyone authorized to act on its behalf will have offered, directly or indirectly, any interest in the Undivided Interest, the Trust Estate, the Lease Indenture Estate, the Lease, the Initial Series Notes or any similar securities of the Lessee or the Owner Trustee for sale to, or solicited any offer to acquire any of the same from, any Person.

(d) *Consolidation, Merger, Sale, etc.* The Lessee shall not consolidate with any Person, merge with or into any Person, or convey, transfer or lease to any Person all or substantially all of its assets in any single transaction (or series of related transactions), unless, immediately after giving effect to such transaction, (i) if such Person is an Affiliate of the Lessee, the conditions set forth in clauses (A) through (D) below shall have been satisfied, or (ii) if such Person is not an Affiliate of the Lessee:

(g) *Performance and Enforcement of Agreements.* Except where the failure to do so would not have a material adverse effect on Unit 2 (including the Undivided Interest) or the rights and benefits of the Owner Participant, the Loan Participants, the Owner Trustee or the Indenture Trustee under any Transaction Document or Financing Document, the Lessee at all times, unless the Owner Participant shall otherwise consent, (i) shall perform and comply with the terms of the Rockport Plant Operating Agreement and the Unit 2 Operating Agreement, (ii) shall keep unimpaired all of the Lessee's rights, powers and remedies under the Rockport Plant Operating Agreement and the Unit 2 Operating Agreement and shall prevent any forfeiture or impairment thereof, (iii) shall enforce the Rockport Plant Operating Agreement and the Unit 2 Operating Agreement in accordance with the terms thereof, (iv) shall not take, fail to take or join in any action with respect to the Rockport Plant Operating Agreement or the Unit 2 Operating Agreement that results in a breach thereof, and (v) shall not accept, approve or consent to any amendment or modification of the Rockport Plant Operating Agreement or the Unit 2 Operating Agreement if such amendment or modification would have a materially adverse effect upon the right, title and interest of the Owner Trustee in and to the Undivided Interest or the Unit 2 Site Interest or upon the lien and security interest of the Indenture Trustee in the properties, rights and interests constituting the Lease Indenture Estate or upon the rights and benefits of the Owner Participant, the Loan Participants, the Owner Trustee or the Indenture Trustee under the Transaction Documents or the Unit 2 Operating Agreement, or upon the value, utility or economic life of the Undivided Interest, it being understood that any amendment or modification having any of the following effects shall be deemed to materially adversely affect such rights and benefits: (A) relief by or of the Lessee of any obligation under the Rockport Plant Operating Agreement or the Unit 2 Operating Agreement in respect of the Undivided Interest; or (B) imposition, directly or indirectly, at any time on the Owner Trustee or the Owner Participant of any material obligation in addition to those contemplated by the Transaction Documents. The Lessee shall provide copies of any proposed amendment or modification of the Rockport Plant Operating Agreement or the Unit 2 Operating Agreement to the Owner Participant and the Owner Trustee not less than 45 days prior to the execution thereof by the Lessee (except where the Lessee is unaware thereof 45 days prior to such execution, in which case the Lessee shall provide notice thereof as promptly as possible after becoming so aware) and, upon execution thereof, shall furnish to the Owner Participant, the Owner Trustee and the Indenture Trustee a copy of any such amendment or modification as executed.

(h) *Cooperation.* Upon the request of the Owner Participant or the Owner Trustee, the Lessee shall cooperate with the Owner Participant and the Owner Trustee in obtaining the valid and effective issuance, or, as the case may be, transfer or amendment of all Governmental Action

necessary or, in the reasonable opinion of the Owner Participant, desirable for the ownership, operation and possession of the Undivided Interest or any portion of Unit 2 represented thereby or any property purported to be covered by the Ground Lease by the Owner Trustee or any transferee, lessee or assignee thereof for the period after the Lease Termination Date to the expiration or termination of the Ground Lease Term.

(i) *Limitation on Certain Rights of the Lessee.* The Lessee shall not exercise its rights under Section 13(a), 13(b) or 14(a) of the Lease, as the case may be, unless the Lessee concurrently shall be exercising all similar rights it may have under other leases relating to undivided interests in Unit 2 and, in the case of the Lessee's exercise of its rights under said Section 14(a), unless I&M concurrently shall be exercising all similar rights it may have under leases relating to undivided interests in Unit 2.

(j) *Lessee Undertaking.* The Lessee shall not take any action (or omit to take any action), whether by voting (or failing to vote) in meetings of the Rockport Plant Companies or otherwise, the taking or omission of which will materially adversely affect the operation, safety, capacity, economic useful life or any other aspect of Unit 2 (including the Undivided Interest).

(k) *Capital Funds Agreement and Unit Power Agreement.* The Lessee shall not, without the prior written consent of the Owner Participant and a Majority in Interest of Holders of Notes, approve, agree or consent to any amendment, modification, supplement, waiver, termination, assignment, transfer or pledge of the Capital Funds Agreement or the Unit Power Agreement that could have a material adverse effect on its ability to perform its obligations under the Transaction Documents, and any such attempted amendment, modification, supplement, waiver, termination, assignment, transfer or pledge shall be null and void. The Lessee shall perform its obligations under the Capital Funds Agreement, and shall take such action as may be necessary to enforce its rights thereunder if the failure to do so could affect its ability to pay and perform its obligations under the Lease and the other Transaction Documents as and when required. Without limiting any right or remedy which the Owner Participant and the Owner Trustee may have at law or in equity as a result of such breach, the Lessee agrees that a breach by it of the covenant contained in the preceding sentence will cause irreparable injury to the Owner Participant and the Owner Trustee and that the Owner Participant and the Owner Trustee have no adequate remedy at law in respect of such breach and, as a consequence, the Lessee agrees that the covenant contained in the immediately preceding sentence shall be specifically enforceable by the Owner Participant and the Owner Trustee against it and it waives and agrees not to assert any defense against an action for specific performance of such covenant except for a defense that such covenant has not been breached.

(l) *Purchase of Notes by Lessee Prohibited.* Neither the Lessee nor any Tax Affiliate will directly or indirectly acquire any interest in any Note.

SECTION 6.2. Covenants and Agreements of Owner Participant. The Owner Participant covenants and agrees with each of the other parties hereto as follows:

(a) *No Owner Participant's Liens.* The Owner Participant shall not, directly or indirectly, create, incur, assume or suffer to exist, and, at its own cost and expense (without any right of indemnity under this Agreement or any other Transaction Document), shall promptly take such action as may be necessary duly to discharge, any Owner Participant's Lien, except for any Owner Participant's Lien that has been bonded for the full amount in dispute or as to which other security arrangements satisfactory to the Lessee and the Indenture Trustee shall have been made and that is being contested by the Owner Participant in good faith and by appropriate proceedings diligently conducted, so long as such proceedings do not (i) involve any danger of the sale, forfeiture or loss of the Undivided Interest, the Unit 2 Site Interest or the Easements or any part thereof or interest therein, (ii) interfere with the use, possession or disposition of the Undivided Interest, the Unit 2 Site Interest or the Easements or any part thereof or interest therein or (iii) interfere with the payment of Rent.

(b) *Quiet Enjoyment.* The Owner Participant acknowledges, and agrees to be bound by, the provisions of Section 6(a) of the Lease and Section 6.04(e) of this Agreement.

(c) *No Petition Agreement.* Following the issuance of the initial series of Bonds and prior to the 181st day following the payment in full of the Bonds and the discharge in accordance with

its terms of the Collateral Trust Indenture, the Owner Participant shall not file any petition, or join in the filing of any petition, seeking any reorganization, arrangement, adjustment or composition of or in respect of Funding Corporation under the Bankruptcy Code or any other Applicable Law.

(d) *Payment of Adjustment Verification Expenses, etc.* The Owner Participant shall pay any expenses for which it may be responsible pursuant to the fifth sentence of Section 3(e)(ii) of the Lease. The Owner Participant shall provide appropriate instructions to the Owner Trustee and shall cooperate with the Owner Trustee in connection with the financing of Modifications pursuant to Section 8(e) of the Lease and shall otherwise comply with the provisions of said Section 8(e).

(e) *Amendments of Trust Agreement.* The Owner Participant agrees that, prior to the Lease Termination Date, the Owner Participant shall not amend or supplement, or consent to any amendment of or supplement to, the Trust Agreement without the prior written consent of the Lessee if such amendment or supplement would materially and adversely affect the rights or obligations of the Lessee under this Agreement, the Lease, any other Transaction Document or the Unit 2 Operating Agreement. The Owner Participant agrees that it will not terminate or revoke the Trust Agreement or the trusts thereby created so long as any of the Notes remain Outstanding or any obligations under the Indenture remain unpaid or the lien and security interest of the Indenture have not been satisfied and discharged.

SECTION 6.03. Covenants and Agreements of Original Loan Participants. Each Original Loan Participant covenants and agrees with each of the other parties hereto that any transfer of any Initial Series Note acquired by it hereunder shall not be effective as against the other parties to this Agreement unless the transferee shall deliver to the Lessee, the Owner Participant, the Owner Trustee and the Indenture Trustee a written agreement to be bound by all the terms and provisions of this Agreement and the Indenture as though such transferee were an Original Loan Participant, which agreement shall contain a representation and warranty of such transferee that all representations and warranties of the Original Loan Participant contained in this Agreement are on the date of transfer true and correct as to such transferee (with all references to the Closing Date being changed as appropriate); *provided, however, that, if Funding Corporation is a transferee of any Initial Series Note, such agreement need not contain the representation and warranty set forth in the first sentence of Section 5.03(a).*

SECTION 6.04. Covenants and Agreements of Owner Trustee. Wilmington Trust Company, in its individual capacity, or, as to the second sentence of paragraph (b) below and as to paragraph (f) below, as Owner Trustee, covenants and agrees with each of the other parties hereto as follows:

(a) *Lessor's Liens.* Wilmington Trust Company shall not, directly or indirectly, create, incur or suffer to exist, and, at its own cost and expense (without any right of indemnity under this Agreement, the Trust Agreement or any other Transaction Document), shall promptly take such action as may be necessary duly to discharge, any Lessor's Lien.

(b) *Amendments of Trust Agreement.* Wilmington Trust Company agrees that, prior to the Lease Termination Date, Wilmington Trust Company shall not amend or supplement, or consent to any amendment of or supplement to, the Trust Agreement without the prior written consent of the Lessee unless it has determined in good faith that such amendment or supplement would not materially and adversely affect the rights or obligations of the Lessee under this Agreement, the Lease, any other Transaction Document or the Unit 2 Operating Agreement. The Owner Trustee agrees that, unless an Event of Default shall have occurred and be continuing, the Owner Trustee will not amend any of the payment terms of any Note.

(c) *Change in Chief Executive Office.* Wilmington Trust Company shall notify the Lessee, the Owner Participant, the Indenture Trustee and Funding Corporation promptly after any change in its chief executive office and place of business or the office where it keeps its records concerning its accounts relating to the transactions contemplated hereby.

(d) *No-Petition Agreement.* Following the issuance of the initial series of Bonds and prior to the 181st day following the payment in full of the Bonds and the discharge in accordance with its terms of the Collateral Trust Indenture, Wilmington Trust Company (as the Owner Trustee and in its individual capacity) agrees that it will not file a petition, or join in the filing of a petition, seeking reorganization, arrangement, adjustment or composition of or in respect of Funding Corporation under the Bankruptcy Code or any other Applicable Law.

(e) *Quiet Enjoyment.* Wilmington Trust Company acknowledges, and agrees to be bound by, Section 6(a) of the Lease.

(f) *Financing of Modifications.* The Owner Trustee shall cooperate with the Owner Participant and the Lessee in connection with the financing of Modifications pursuant to Section 8(e) of the Lease.

SECTION 6.05. Covenants and Agreements of Indenture Trustee. The Connecticut National Bank, as the Indenture Trustee and in its individual capacity, covenants and agrees with each of the other parties hereto as follows:

(a) *Indenture Trustee's Liens.* The Connecticut National Bank shall not, directly or indirectly, create, incur or suffer to exist, and, at its own cost and expense (without any right of indemnity under this Agreement, the Indenture or any other Transaction Document), shall promptly take such action as may be necessary duly to discharge, any Indenture Trustee's Lien.

(b) *No-Petition Agreement.* Following the issuance of the initial series of Bonds and prior to the 181st day after the payment in full of the Bonds and the discharge in accordance with its terms of the Collateral Trust Indenture, The Connecticut National Bank (as the Indenture Trustee and in its individual capacity) agrees that it will not file any petition, or join in the filing of a petition, seeking a reorganization, arrangement, adjustment or composition of or in respect of Funding Corporation under the Bankruptcy Code or any other Applicable Law.

(c) *Quiet Enjoyment.* The Connecticut National Bank (as the Indenture Trustee and in its individual capacity) acknowledges, and agrees to be bound by, Section 6(a) of the Lease.

SECTION 6.06. Covenants and Agreements of Funding Corporation. Funding Corporation covenants and agrees with each of the other parties hereto as follows:

(a) *Transfers of Notes.* Any transfer or assignment of any Note acquired by it or of all or any part of Funding Corporation's interest hereunder or under any other Transaction Document or any Financing Document shall be effected in a transaction constituting an exempt transaction under the Securities Act and the rules and regulations of the SEC thereunder and on the express condition that the transferee, assignee or participant shall agree in writing to be bound by the provisions hereof and thereof. Funding Corporation shall not sell, exchange or transfer any Note to any other Person (other than the Collateral Trust Trustee) unless such transferee delivers to the Lessee, the Owner Participant, the Owner Trustee and the Indenture Trustee a representation and warranty to the effect that neither the transfer of such Note to, nor the ownership of such Note by, such transferee will cause such transferee, or any such Persons, to be engaged in a "prohibited transaction", as defined in Section 406 of ERISA or Section 4975 of the Code, which is not at such time subject to an exemption contained in ERISA or in the rules, regulations, releases or bulletins adopted thereunder.

(b) *Prepayment of Bonds.* Funding Corporation shall not refinance or optionally prepay any Bond issued in connection with any Note except in connection with a refinancing or optional prepayment of such Note.

(c) *Quiet Enjoyment.* Funding Corporation acknowledges, and agrees to be bound by, Section 6(a) of the Lease.

(d) **No Other Business.** Funding Corporation will not (i) engage in any business or activity other than in connection with the Transaction Documents or as otherwise contemplated by the Section 6(c) Application or (ii) amend, or engage in any activity or take any action not permitted by, Article Third of its Certificate of Incorporation, as in effect on the date of execution and delivery of this Agreement, without, in each case, the consent of the Lessee, the Owner Participant, the Owner Trustee and the Indenture Trustee.

SECTION 6.07. No Partition. Each of the Owner Participant and the Owner Trustee hereby waives any right that either or both of them may have to partition Unit 2 or the Unit 2 Site or the Rockport Plant Site during the Ground Lease Term, whether by partition in kind or by sale and division of the proceeds, and each of them further agrees that, during the Ground Lease Term, it will not resort to any action at law or in equity to partition Unit 2 or the Unit 2 Site or the Rockport Plant Site, and each of them hereby waives the benefits of all laws that may now or hereafter authorize such partition.

ARTICLE VII INDEMNITIES

SECTION 7.01. General Indemnity. The Lessee agrees, whether or not any of the transactions contemplated hereby are consummated, to indemnify on an After-Tax Basis each Indemnitee against, and to protect, save and keep harmless each Indemnitee from, any and all Expenses that may be imposed on, incurred by or asserted against such Indemnitee in any way relating to or arising out of: (a) the Rockport Plant (including Unit 2 and the Undivided Interest), the Rockport Plant Site (including the Unit 2 Site, the Unit 2 Site Interest and the Easements) or the Common Facilities or any part thereof or interest therein; (b) any of the Transaction Documents or any of the transactions contemplated thereby, other than Transaction Expenses that are the responsibility of the Owner Trustee pursuant to Section 9.01 and Expenses incurred by the Indemnitees in connection with a transfer by the Owner Participant to which Article VIII applies; (c) the construction, preparation, installation, inspection, delivery, non-delivery, acceptance, rejection, purchase, ownership, possession, rental, lease, sublease, maintenance, repair, storage, transfer of title, redelivery, use, operation, condition, sale, return or other application or disposition of all or any part of any interest in the Rockport Plant (including Unit 2 and the Undivided Interest), the Rockport Plant Site (including the Unit 2 Site, the Unit 2 Site Interest and the Easements) or the Common Facilities, or the imposition of any Lien (or incurrence of any liability to refund or pay over any amount as a result of any Lien) thereon, including, without limitation, (i) claims or penalties arising from any violation of law or in tort (strict or otherwise), (ii) loss of or damage to any property or the environment (including, without limitation, clean-up costs, response costs, costs of corrective action, costs of financial assurance and natural resource damages), or death or injury to any Person, (iii) latent or other defects, whether or not discoverable, and (iv) any claim for patent, trademark or copyright infringement; and (d) the operation, use, possession or ownership by any Person of the remaining interest in the Rockport Plant, the Rockport Plant Site or the Common Facilities; *provided, however,* that the foregoing indemnity shall not extend to any Expense imposed on, incurred by or asserted against any Indemnitee to the extent the same relates to or arises out of one or more of the following circumstances:

- (1) the incorrectness of any representation or warranty of such Indemnitee contained in or made pursuant to this Agreement or any of the other Transaction Documents;
- (2) the failure of such Indemnitee to perform or observe any covenant, agreement or condition on its part required to be performed or observed in this Agreement or any of the other Transaction Documents;
- (3) the willful misconduct or gross negligence of such Indemnitee or of its successors, assigns, agents, officers, directors or employees;
- (4) a disposition (voluntary or involuntary) by the Owner Trustee or the Owner Participant of all or any part of its interest in the Trust Estate, the Undivided Interest, the Unit 2 Site Interest, the Easements, the Lease or any of the other properties, rights and interests constituting the Trust Estate, other than pursuant to Section 8, 9(c), 9(d) or 14 of the Lease or while an Event of Default shall have occurred and be continuing, or by any other Indemnitee of all or any part of such Indemnitee's interest in the Undivided Interest, the Unit 2 Site Interest, the Easements,

the Lease or any of the other properties, rights and interests constituting the Trust Estate or the Lease Indenture Estate, or the Notes, except, in the case of the Indenture Trustee, any such disposition that occurs as a result of an Event of Default;

(5) any Tax, whether or not the Lessee is required to indemnify for such Tax pursuant to Section 7.02 or the Tax Indemnification Agreement (it being understood that Sections 7.02 through 7.06 and the Tax Indemnification Agreement exclusively provide for the Lessee's liability with respect to Taxes);

(6) acts or events that occur after the earlier of (x) the surrender of possession of the Undivided Interest and the Unit 2 Site Interest pursuant to Section 5 of the Lease or (y, the expiration or termination of the Lease Term;

(7) the offer or sale by or on behalf or for the account of any Indemnitee of any interest in the Trust Estate or the Trust Agreement or any similar interest;

(8) a failure on the part of the Indenture Trustee or the Owner Trustee, as the case may be, to distribute in accordance with the Indenture or the Trust Agreement, as the case may be, any amounts received and distributable by it thereunder;

(9) the authorization or giving or withholding of any amendment, modification, supplement, waiver, termination, approval or consent with respect to this Agreement or any of the other Transaction Documents other than such as have been requested by the Lessee;

(10) any Expense that is (x) included in Transaction Expenses and for which the Owner Trustee or the Owner Participant is responsible pursuant to Section 9.01, (y) incurred by any Indemnitee (or any successor, assign, agent, officer, director or employee of such Indemnitee) to the extent that such Indemnitee shall have expressly agreed in this Agreement or any other Transaction Document or otherwise to bear such Expense without right of reimbursement or indemnity under this Agreement or any other Transaction Document, or (z) in the case of any Holder of a Note, except as otherwise expressly provided in the Indenture, any loss of anticipated cash flow or earnings on any Note by reason of any redemption or prepayment of such Note permitted by this Agreement or any of the other Transaction Documents;

(11) any amount constituting an amount payable by the Owner Trustee under the Indenture or the Notes resulting from an Indenture Event of Default that does not also constitute an Event of Default; or

(12) any Expense that would not have been incurred but for the appointment of a successor Owner Trustee if such appointment was caused by the Owner Participant.

Without limitation of the foregoing, whether or not any of the transactions contemplated hereby are consummated, except to the extent that any of the items hereinafter described are Transaction Expenses that are the responsibility of the Owner Trustee pursuant to Section 9.01, the Lessee shall pay: (a) the fees (whether ordinary or extraordinary), expenses and disbursements of the Indenture Trustee, as trustee under the Indenture, with respect to the administration of the Lease Indenture Estate, including the reasonable fees and expenses of its counsel; (b) the fees (whether ordinary or extraordinary), expenses and disbursements of the Owner Trustee, as trustee under the Trust Agreement, with respect to the administration of the Trust Estate, including the reasonable fees and expenses of its counsel; and (c) all the costs and expenses incurred by the Owner Participant, the Loan Participants, the Owner Trustee, the Indenture Trustee and Funding Corporation in connection with (i) the entering into or giving or withholding of any proposed amendment, modification, supplement, waiver, termination, approval or consent requested by the Lessee or (ii) any Event of Loss or Deemed Loss Event or any redemption, prepayment, refinancing or assumption of the Notes.

If the Lessee shall obtain knowledge of any Expense indemnified against under this Section 7.01, the Lessee shall give prompt notice thereof to the appropriate Indemnitee or Indemnitees, and if any Indemnitee shall obtain any such knowledge, such Indemnitee shall give prompt notice thereof to the Lessee. With respect to any amount that the Lessee is requested by an Indemnitee to pay by reason of this Section 7.01, such Indemnitee shall, if so requested by the Lessee and prior to any payment, submit such additional information to the Lessee as the Lessee may reasonably request properly to substantiate the requested payment.

D

D

In case any action, suit or proceeding shall be brought against any Indemnitee, such Indemnitee shall notify the Lessee of the commencement thereof (but the failure to do so shall not relieve the Lessee of its obligation to indemnify such Indemnitee except to the extent that the Lessee is prejudiced as a result of such failure), and the Lessee shall be entitled, at its expense, acting through counsel acceptable to such Indemnitee, to participate in, and, to the extent that the Lessee desires, to assume and control the defense thereof; *provided, however,* that the Lessee shall not be entitled to assume and control the defense of any such action, suit or proceeding if and to the extent that, in the opinion of such Indemnitee, such action, suit or proceeding involves the potential imposition of criminal liability on such Indemnitee or a conflict of interest between such Indemnitee and the Lessee or entails a reasonable possibility of compromising or jeopardizing any substantial interest of such Indemnitee. Such Indemnitee shall be entitled, at its expense, acting through counsel acceptable to the Lessee, to participate in any action, suit or proceeding the defense of which has been assumed by the Lessee.

Each Indemnitee shall supply the Lessee with such information and documents requested by the Lessee as are necessary or advisable for the Lessee to participate in any action, suit or proceeding to the extent permitted by this Section 7.01. No Indemnitee shall enter into any settlement or other compromise with respect to any Expense without the prior written consent of the Lessee, which consent shall not be unreasonably withheld or delayed, unless such Indemnitee waives its right to be indemnified under this Section 7.01 with respect to such Expense.

Upon payment of any Expense by the Lessee pursuant to this Section 7.01 to or on behalf of an Indemnitee, the Lessee, without any further action, shall be subrogated to any and all claims that such Indemnitee may have relating thereto (other than claims in respect of insurance policies maintained by such Indemnitee at its own expense), and such Indemnitee shall cooperate with the Lessee and give such further assurances as are necessary or advisable to enable the Lessee vigorously to pursue such claims.

Nothing in this Section 7.01 shall be construed as a guaranty by the Lessee of any residual value in the Undivided Interest or as a guaranty of the Notes or any Bonds.

SECTION 7.02. General Tax Indemnity. Except as provided in Section 7.03, the Lessee shall pay on an After-Tax Basis, and on written demand shall indemnify and hold each Indemnitee harmless from and against, any and all Taxes imposed on or with respect to any Indemnitee, the Lessee, the Rockport Plant (including Unit 2 and the Undivided Interest), the Rockport Plant Site (including the Unit 2 Site, the Unit 2 Site Interest and the Easements) or the Common Facilities, or any portion thereof or interest therein, or any sublessee or user thereof, by any Federal, state or local government or other taxing authority in the United States or by any foreign government or subdivision or taxing authority thereof upon, in connection with or in any way relating to (a) the construction, preparation, installation, inspection, delivery, non-delivery, acceptance, rejection, purchase, ownership, possession, rental, lease, sublease, maintenance, repair, storage, transfer of title, redelivery, use, operation, condition, sale, return or other application or disposition of all or any part of any interest in the Rockport Plant (including Unit 2 and the Undivided Interest), the Rockport Plant Site (including the Unit 2 Site, the Unit 2 Site Interest and the Easements) or the Common Facilities, or the imposition of any Lien (or incurrence of any liability to refund or pay over any amount as a result of any Lien) thereon, (b) the payment of the principal of or interest or premium on, or other amounts with respect to, the Notes, (c) the issuance and sale of the Notes, (d) the payment of Basic Rent or Supplemental Rent or the receipts or earnings arising from or received with respect to the Rockport Plant (including Unit 2 and the Undivided Interest), the Rockport Plant Site (including the Unit 2 Site, the Unit 2 Site Interest and the Easements) or the Common Facilities, or any part thereof or any interest therein or any applications or dispositions thereof, (e) any other amount paid or payable pursuant to any Transaction Documents, (f) the Rockport Plant (including Unit 2 and the Undivided Interest), the Rockport Plant Site (including the Unit 2 Site, the Unit 2 Site Interest and the Easements) or the Common Facilities, or any part thereof or any interest therein, (g) all or any of the Transaction Documents, any other documents contemplated thereby, and amendments and supplements thereto, and (h) otherwise with respect to or in connection with the transactions contemplated by the Transaction Documents.

SECTION 7.03. Exclusions from General Tax Indemnity. Section 7.02 shall not apply to:

(a) Taxes that are imposed on an Indemnitee by the United States Federal government based upon or measured by net income (including any minimum Taxes, withholding Taxes, any Taxes on or measured by items of tax preference, any superfund taxes, surcharges, additions to tax, penalties, fines or other charges in respect thereof);

(b) Taxes (other than Taxes in the nature of sales, use, rental or utilities Taxes and other than the Indiana tax on gross income imposed pursuant to Indiana Code, Title 6, Article 2.1) that are (i) imposed by any state or local jurisdiction or taxing authority within the United States or by any foreign country or governmental subdivision thereof or by any possession, territory or commonwealth of the United States and (ii) that are based upon or measured by net income or net receipts (including any minimum Taxes, withholding Taxes or Taxes on or measured by items of tax preference) or any value-added taxes or Taxes that are capital stock or franchise taxes or Taxes in the nature of doing business taxes (other than Taxes imposed pursuant to Indiana Code, Title 23, Article 5, Chapter 1);

(c) any Taxes imposed on an Indemnitee that are a result of such Indemnitee not being a citizen or resident of, or not being organized under the laws of, the United States or any political subdivision thereof;

(d) any Tax that is enacted or adopted as a direct substitute for or in lieu of any Tax that would not have been indemnified against pursuant to this Article VII;

(e) Taxes to the extent that such Taxes would not have been imposed if an Indemnitee or its Affiliate had not been engaged in activities or transactions unrelated to the transactions contemplated by the Transaction Documents;

(f) Taxes that are based on, or measured by, the fees or other compensation received by a Person acting as Owner Trustee, Indenture Trustee or Collateral Trust Trustee (in their respective individual capacities) or any Affiliate of any thereof for acting as trustees under the Trust Agreement, the Indenture or the Collateral Trust Indenture, respectively;

(g) Taxes that have not been paid or credited and that are being contested in accordance with the provisions of Section 7.04, during the pendency of such contest;

(h) Taxes that are imposed on any Indemnitee as a result of the gross negligence or willful misconduct of such Indemnitee or its Affiliate (other than gross negligence or willful misconduct imputed to such Indemnitee solely by reason of its interest in the Undivided Interest, the Unit 2 Site Interest or the Easements or its participation in the transactions contemplated by the Transaction Documents);

(i) Taxes that result from any act, event or omission (other than the payment of amounts described in the Transaction Documents), or are attributable to any period of time, that occurs after the earliest of (i) so long as no Event of Default shall have occurred and be continuing, the expiration of the Lease Term with respect to the Undivided Interest, (ii) the discharge in full of the Lessee's obligations to pay the Stipulated Loss Value or the Termination Value with respect to the Undivided Interest and (iii) so long as no Event of Default shall have occurred and be continuing, the return of possession of the Undivided Interest to the Lessor in accordance with Section 5 of the Lease;

(j) Taxes that result from any voluntary transfer (it being understood that the term "voluntary transfer" does not include any transfer provided for in the Transaction Documents except those provided for in Article VIII of this Agreement, including Section 14 of the Lease, or any transfer to the Lessee or its Affiliate) by an Indemnitee of any interest in the Rockport Plant (including Unit 2 and the Undivided Interest), the Rockport Plant Site (including the Unit 2 Site, the Unit 2 Site Interest and the Easements) or the Common Facilities, or any part thereof or any interest arising under the Transaction Documents or any Notes, or from any voluntary transfer of any interest in an Indemnitee or from any involuntary transfer of any of the foregoing interests in connection with any bankruptcy or other proceeding for the relief of debtors in which such Indemnitee is the debtor or any foreclosure by a creditor of an Indemnitee; *provided, however, that this exception shall not apply if any such transfer shall occur at any time while an Event of Default shall have occurred and be continuing.*

(k) any interest, penalties, fines or additions to Tax resulting (in whole or in part) from the failure of an Indemnitee to file any return properly and timely pursuant to its obligations under Section 7.07;

(l) any Taxes to the extent of the excess of such Taxes over the amount of such Taxes that would have been imposed had there not been a transfer of the Rockport Plant (including Unit 2 and the Undivided Interest), the Rockport Plant Site (including the Unit 2 Site, the Unit 2 Site Interest and the Easements) or the Common Facilities, or any interest therein or an interest arising under any Transaction Documents or any Notes by a predecessor in interest of the Indemnitee; *provided, however, that this exception shall not apply if any such transfer shall occur at any time while an Event of Default shall have occurred and be continuing;*

(m) Taxes that otherwise are the subject of an indemnity obligation of the Lessee to the extent such Taxes are actually utilized by the Indemnitee as a credit against Taxes otherwise payable by such Indemnitee that are not indemnified hereunder;

(n) any Taxes imposed on the Lessor that would not have been imposed but for Lessor's Liens, any Taxes imposed on the Owner Participant that would not have been imposed but for Owner Participant's Liens and any Taxes imposed on the Indenture Trustee that would not have been imposed but for Indenture Trustee's Liens; and

(o) any Tax on or with respect to an Indemnitee resulting from any amendment or modification entered into by such Indemnitee to any Transaction Document if the Lessee is not a party to such amendment or modification or has not consented to such amendment or modification, in each case unless an Event of Default shall have occurred and be continuing;

provided, however, that the foregoing paragraphs (a) through (o) shall not apply to any Tax imposed on Funding Corporation or the indenture estate under the Collateral Trust Indenture.

SECTION 7.04. Contests. (a) If any claim shall be made against any Indemnitee or if any proceeding shall be commenced against any Indemnitee (including a written notice of such proceeding) for any Taxes as to which the Lessee may have an indemnity obligation pursuant to Section 7.02, or if any Indemnitee shall determine that any Taxes as to which the Lessee may have an indemnity obligation pursuant to Section 7.02 may be payable, such Indemnitee shall promptly notify the Lessee in writing and shall not take any action with respect to such claim, proceeding or Tax without the consent of the Lessee for 30 days after receipt of such notice by the Lessee; *provided, however, that if such Indemnitee shall be required by law or regulation to take action with respect to any such claim, proceeding or Tax prior to the end of such 30-day period, such Indemnitee shall, in such notice to the Lessee, so inform the Lessee, and such Indemnitee shall not take any action with respect to such claim, proceeding or Tax without the consent of the Lessee before the date on which such Indemnitee shall be required to take action. If within 30 days after its receipt of such notice the Lessee shall request in writing that such Indemnitee contest the imposition of such Taxes or the issue of creditability of such Taxes against Taxes otherwise payable by such Indemnitee that are not indemnified hereunder and, if the Lessee's long-term secured debt is not of Investment Grade Quality, shall provide satisfactory security to ensure payment of any amounts due or that may become due from the Lessee under this Article VII with respect to such Taxes, such Indemnitee shall at the expense of the Lessee (including, without limitation, all costs, expenses and reasonable attorneys' and accountants' fees and disbursements) in good faith contest (including, without limitation, by pursuit of appeals), and shall not settle without the Lessee's consent, the validity, applicability or amount of such Taxes by, in such Indemnitee's sole discretion, (i) resisting payment thereof, (ii) not paying the same except under protest, if protest shall be necessary and proper, or (iii) if payment shall be made, using reasonable efforts to obtain a refund thereof or credit therefor in appropriate administrative and judicial proceedings; *provided, however, that in no event shall such Indemnitee be required to contest the imposition of any Tax for which the Lessee is obligated pursuant to this Article VII unless (x) the Lessee shall have agreed to pay such Indemnitee all reasonable costs and expenses that such Indemnitee shall incur in connection with contesting such claim (including, without limitation, all costs, expenses, reasonable legal and accounting fees and disbursements), (y) the action to be taken will not result in any material danger of sale, forfeiture or loss of, or the creation of any Lien (except**

44-1

if the Lessee shall have adequately bonded such Lien or otherwise made provision to protect the interests of such Indemnitee in a manner reasonably satisfactory to such Indemnitee) on, the Undivided Interest, the Unit 2 Site Interest or the Easements or any interest therein, and (z) if such contest shall involve payment of the claim, the Lessee shall advance the amount thereof, plus (to the extent indemnified under Section 7.02) interest, penalties and additions to tax with respect thereto, to such Indemnitee on an interest-free basis and with no additional net after-tax cost to such Indemnitee (and such Indemnitee shall promptly pay the Lessee any net realized tax benefits due to any imputed interest deduction arising from such interest-free advance from the Lessee plus the tax benefit from making any such payment); *provided, further,* that with respect to any claim for taxes with respect to the Undivided Interest, the Unit 2 Site Interest or the Easements or any interest therein, such contest shall be conducted by the Lessee in the name of such Indemnitee if so permitted or requested by such Indemnitee.

(b) Notwithstanding the foregoing, in no event shall any Indemnitee be required or the Lessee be permitted to contest the imposition of any Tax for which the Lessee is obligated to indemnify pursuant to this Article VII unless: (i) no Event of Default has occurred and is continuing; (ii) the Lessee shall have acknowledged in writing its obligation to indemnify such Indemnitee for Taxes in the event the contest is unsuccessful; (iii) such Indemnitee shall have received an opinion of Simpson Thacher & Bartlett or of an independent tax counsel selected by the Lessee and reasonably satisfactory to such Indemnitee, at the Lessee's sole expense, to the effect that a Reasonable Basis exists for contesting such claim or, in the event of an appeal, it is more likely than not that such adverse determination would be reversed or substantially modified in a manner favorable to the taxpayer; (iv) either (x) the amount of (A) such claim, plus (B) the amount of all similar and logically related claims with respect to the transactions that have been or could be raised in an audit of such Indemnitee by the taxing authority in question for any other taxable period (including all future periods) of such Indemnitee with respect to which an assessment of a tax deficiency is not, as of the date of the Lessee's written statement referred to in clause (ii) above, barred by a statute of limitations, would result in an additional tax liability (exclusive of interest, penalties and additions to tax) of such Indemnitee in excess of \$25,000, or (y) in its written statement delivered pursuant to clause (ii) above the Lessee shall have confirmed to such Indemnitee that the subject matter of such claim is of overriding importance to the Lessee and could have a material adverse impact on the interests of the Lessee (other than the Lessee's interest in Unit 2); and (v) if such contest shall be conducted in a manner requiring the payment of the claim, the Lessee shall have paid the amount required.

(c) Notwithstanding anything contained in Section 7.04(a), an Indemnitee will not be required to contest the imposition of any Taxes if such Indemnitee shall waive its right to indemnity under this Article VII with respect to such Taxes and shall pay to the Lessee any amount previously paid or advanced by the Lessee pursuant to this Article VII with respect to such Taxes or the contest of such Taxes (excluding the amounts described in Section 7.04(a)(x)).

(d) Notwithstanding anything contained in this Section 7.04 to the contrary, no Indemnitee shall be required to contest any claim if the subject matter thereof shall be of a continuing nature and shall have previously been decided pursuant to the contest provisions of this Section 7.04 unless there shall have been a change in law (including, without limitation, amendments to statutes or regulations, administrative rulings and court decisions) enacted, promulgated, decided or effective after such claim shall have been so previously decided, and such Indemnitee shall have received an opinion of independent tax counsel selected by the Lessee and approved by such Indemnitee, which approval shall not be unreasonably withheld, furnished at the Lessee's sole expense, to the effect that as a result of such change in the law it is more likely than not that the Indemnitee will prevail in the contest of such claim.

SECTION 7.05. Refunds or Credits. If any Indemnitee shall receive a refund of (or receive a credit against, or any other current reduction in, any Tax not indemnified by the Lessee pursuant to this Article VII) all or any part of any Taxes paid, reimbursed or advanced by the Lessee (or would have received such a refund, credit or reduction but for a counterclaim or other claim not indemnified by the Lessee hereunder (a "deemed refund, credit or reduction")), within 10 days of such receipt (or, in the case of a deemed refund, credit or reduction, within 10 days of the final determination of such

deemed refund, credit or reduction), the Indemnitee shall pay to the Lessee an amount equal to the amount of such refund, credit or reduction or deemed refund, credit or reduction plus any net tax benefit (taking into account any Taxes incurred by such Indemnitee by reason of the receipt of such refund, credit or reduction or deemed refund, credit or reduction) realized by such Indemnitee as a result of any payment by such Indemnitee made pursuant to this sentence; *provided, however, that such Indemnitee shall not be obligated to make any payment to the Lessee pursuant to this sentence while an Event of Default shall have occurred and be continuing.* If, in addition to such refund, credit or reduction or deemed refund, credit or reduction, as the case may be, such Indemnitee shall receive (or would have received but for a counterclaim or other claim not indemnified by the Lessee hereunder) an amount representing interest on the amount of such refund, credit or reduction or deemed refund, credit or reduction, as the case may be, such Indemnitee shall pay to the Lessee within 10 days of such receipt or, in the case of a deemed refund, credit or reduction within 10 days of the final determination of such deemed refund, credit or reduction, that proportion of such interest that shall be fairly attributable to Taxes paid, reimbursed or advanced by the Lessee prior to the receipt of such refund, credit or reduction or deemed refund, credit or reduction.

SECTION 7.06. Payments. Any amount payable to an Indemnitee pursuant to Section 7.02 shall be paid within 30 days after receipt of a written demand therefor from such Indemnitee accompanied by a written statement describing in reasonable detail the amount so payable, but not before the date that the relevant Taxes are due. Any payments made pursuant to Sections 7.02 through 7.05 shall be made directly to the Indemnitee entitled thereto or the Lessee, as the case may be, in immediately available funds at such bank or to such account as specified by the payee in written directions to the payor, or, if no such direction shall have been given, by check of the payor payable to the order of the payee by certified mail, postage prepaid at its address as set forth in this Agreement. Any amount payable under Sections 7.02 through 7.05 that is not paid when due shall bear interest at the Penalty Rate.

SECTION 7.07. Reports. If any report, return or statement is required to be filed with respect to any Taxes that are subject to indemnification under this Article VII, the Lessee shall promptly notify the appropriate Indemnitee of such requirement and, if the Lessee is permitted by Applicable Law to do so and has been furnished at the Indemnitee's expense with such information, not within the control of the Lessee, as (i) is in such Indemnitee's control, (ii) is reasonably available to such Indemnitee, (iii) is necessary to file such report, return or statement and (iv) has been requested by the Lessee, shall timely file such report, return or statement with respect to such Taxes (unless such Indemnitee has notified the Lessee that such Indemnitee intends to file such report, return or statement); *provided, however, that if the Lessee is not permitted by Applicable Law to file any such report, return or statement, the Lessee will promptly notify the appropriate Indemnitee that it is not so permitted.* With respect to any report, return or statement that is required to be filed with respect to any Taxes that are subject to indemnification under this Article VII, the Lessee shall either show the ownership of the Undivided Interest in the Owner Trustee and send a copy of such report, return or statement to the Owner Trustee and the appropriate Indemnitee or, where not permitted so to show such ownership, shall promptly notify the Owner Participant of such requirement and prepare and deliver to the Owner Trustee and the appropriate Indemnitee a proposed form of such report, return or statement within a reasonable time prior to the time such report, return or statement is to be filed.

SECTION 7.08. Verification. At the Lessee's request, the amount of any indemnity payment by the Lessee pursuant to Section 7.02 or any payment by an Indemnitee to the Lessee pursuant to Section 7.05 shall be verified and certified by the independent public accounting firm that audits the financial statements of such Indemnitee. The costs of such verification shall be borne by the Lessee unless such verification shall result in an adjustment in the Lessee's favor of 5% or more in the net present value of the payment as computed by the Indemnitee, in which case such fee shall be paid by the Indemnitee.

SECTION 7.09. Survival. The provisions of this Article VII shall survive the expiration or termination of this Agreement, the Lease and the other Transaction Documents.

ARTICLE VIII

TRANSFERS OF OWNER PARTICIPANT'S INTERESTS

Except as approved by the Lessee in writing, the Owner Participant shall not directly or indirectly assign, convey or otherwise transfer (whether by consolidation, merger, sale of assets or otherwise) any of its right, title or interest in and to the Trust Estate, this Agreement, the Trust Agreement, the Tax Indemnification Agreement or any other Transaction Document or any proceeds therefrom; *provided, however, that, after the Closing Date, subject to fulfillment of the conditions set forth below, the Owner Participant (and any Person to whom a transfer is duly made pursuant to this Article VIII) may transfer all, or any part representing not less than \$75,000,000 of Lessor's Cos. (or not less than \$25,000,000 of Lessor's Cost if a Deemed Loss Event would be in existence at the time of such transfer but for the presence of the word "solely" in the definition of the term "Deemed Loss Event") of its right, title and interest in and to the Trust Estate, this Agreement, the Trust Agreement, the Tax Indemnification Agreement and each other Transaction Document to which the Owner Participant is a party or by which the Owner Participant is bound to one or more Transferees (as defined below). Each such transfer shall be subject to the fulfillment of the following conditions:*

- (a) the Person to whom such transfer is to be made (a "Transferee") is either (i) a bank or other financial institution that is organized under the laws of the United States of America, any state thereof or the District of Columbia and (unless a Deemed Loss Event would be in existence at the time of such transfer as aforesaid) has a combined capital, surplus and undivided profits of at least \$75,000,000, or a corporation that is organized under the laws of the United States of America, any state thereof or the District of Columbia and (unless a Deemed Loss Event would be in existence at the time of such transfer as aforesaid) has a consolidated net worth of at least \$75,000,000, exclusive of goodwill, all of the foregoing as determined in accordance with generally accepted accounting principles, or (ii) any wholly-owned subsidiary of any such bank, financial institution, corporation or of the Owner Participant, if such bank, financial institution, corporation or the Owner Participant furnishes to the Loan Participants, the Owner Trustee, the Indenture Trustee and the Lessee an agreement of such bank, financial institution, corporation or the Owner Participant guaranteeing the correctness of all representations and warranties of such subsidiary as the Owner Participant contained in or made pursuant to this Agreement and the other Transaction Documents and the performance and observance by such subsidiary of all covenants, agreements and conditions required to be performed or observed by such subsidiary as the Owner Participant in this Agreement and the other Transaction Documents, which agreement shall be deemed to satisfy the requirements of this clause (ii) if it is either in the form of Exhibit E or in a form approved by the Lessee, the Indenture Trustee and a Majority in Interest of Holders of Notes;
- (b) the Owner Trustee, the Indenture Trustee and the Lessee shall have received at least 30 days' prior notice of the proposed transfer, which notice shall specify the name and address of the proposed transferee and the facts necessary to determine whether such proposed transferee qualifies as a Transferee under paragraph (a, above);
- (c) the Transferee shall have all requisite power and authority to enter into and perform the obligations of the Owner Participant under this Agreement and the other Transaction Documents, and, upon giving effect to the proposed transfer, the Transferee will not be in breach of any covenant, agreement or condition required to be performed or observed by the Owner Participant in this Agreement and the other Transaction Documents;
- (d) the Transferee shall have duly authorized, executed and delivered to the Loan Participants, the Indenture Trustee, the Owner Trustee and the Lessee an agreement in the form of Exhibit F or in a form approved by the Lessee, the Indenture Trustee and a Majority in Interest of Holders of Notes, whereby the Transferee confirms that (i) it has all requisite power and authority to enter into and perform the obligations of the Owner Participant under this Agreement and the other Transaction Documents, (ii) it shall be deemed a party to, and shall be bound by all the provisions of, this Agreement and each of the other Transaction Documents to which the Owner Participant is a party, (iii) it shall be obligated to perform and observe each executory covenant, agreement and condition required to be performed or observed by the Owner

Participant in this Agreement and the other Transaction Documents beginning on the date of the transfer and (iv) the representations and warranties of the Owner Participant contained in or made pursuant to this Agreement and the other Transaction Documents are true and correct as to it;

(e) such transfer shall not violate any provision of, or create a relationship that would be in violation of, any Applicable Law;

(f) such transfer does not and will not involve, either directly or indirectly, the assets of any plan that would cause a violation of any provision of ERISA or the imposition of an excise tax under the Code;

(g) neither the Transferee nor any of its Affiliates is then engaged in the business of generating or distributing electric energy; *provided, however,* that, for the purpose of this paragraph (g), a Transferee and its Affiliates shall not be deemed to be engaged in the business of generating or distributing electric energy solely by reason of (i) their ownership of securities of any entity engaged in such business so long as such entity is not an Affiliate of the Transferee or (ii) their ownership of securities of, or partnership or other proprietary interests in, any entity that is neither a public utility holding company or a subsidiary thereof under the Holding Company Act nor a public utility regulated by a state public utility regulatory commission;

(h) the transferring Owner Participant or the Transferee shall have delivered to the Loan Participants, the Indenture Trustee, the Owner Trustee and the Lessee a favorable opinion of independent counsel as to the due authorization, execution, delivery and enforceability of any agreement of guaranty referred to in paragraph (a) above and the agreement referred to in paragraph (d) above, and as to the matters referred to in paragraphs (c) and (e) above; and

(i) the Owner Participant shall concurrently transfer to the same Transferee an equal portion of its right, title and interest in and to the portion of Unit 2 under lease to I&M in which the Owner Participant has a beneficial interest.

From and after any transfer effected in accordance with this Article VIII, the Transferee shall be deemed the "Owner Participant" for all purposes of the Transaction Documents and shall be deemed to have made the Investment previously made by the Owner Participant, and, except as provided in the last sentence of this paragraph, each reference to the Owner Participant contained in the Transaction Documents shall be deemed a reference to the Transferee for all purposes. If as a result of any such transfer there shall be more than one Owner Participant, any requirement for the consent or approval of, or instructions from, the Owner Participant under this Agreement or any other Transaction Document shall be deemed to be satisfied if such consent or approval or instructions are given by Owner Participants having at least 51% of the aggregate interest in the Trust Estate. Notwithstanding the foregoing provisions of this Article VIII, after any transfer effected in accordance with this Article VIII the transferring Owner Participant shall not be released from any obligation arising or accruing prior to such transfer, but shall not be liable for any obligation arising or accruing after such transfer. Notwithstanding any transfer effected in accordance with this Article VIII, the transferring Owner Participant shall nevertheless be entitled to all benefits accrued and all rights vested prior to such transfer, including, without limitation, any right to indemnification under this Agreement or the Tax Indemnification Agreement.

The foregoing restrictions on transfers by the Owner Participant shall be of no force and effect after the Lease Termination Date.

ARTICLE IX PAYMENT OF EXPENSES

SECTION 9.01. Transaction Expenses. Subject to the provisions of Section 9.03, the Owner Trustee hereby agrees that, with funds to be provided by the Owner Participant, the Owner Trustee shall pay when due, or reimburse any Person who has previously paid, an appropriate portion (taking into account the other undivided interests in Unit 2 being sold and leased back by the Lessee on the Closing Date) of the reasonable fees and out-of-pocket expenses, disbursements and costs (each of

which shall be evidenced by appropriate bills or invoices approved in writing by the Lessee prior to payment thereof) incurred by the parties hereto in connection with the preparation, execution and delivery of the Transaction Documents and the consummation of the transactions provided for therein ("Transaction Expenses"), including, without limitation:

- (a) the reasonable fees and disbursements of the Original Loan Participants' Counsel, the Original Loan Participant's Special Indiana Counsel, the Owner Participant's Special Counsel, the Owner Participant's Special Indiana Counsel, the Owner Trustee's Counsel, the Indenture Trustee's Counsel, Funding Corporation's Special Counsel, the Lessee's Special Counsel and the Lessee's Special Indiana Counsel for their services rendered in connection with the execution and delivery of this Agreement and the other Transaction Documents;
- (b) the reasonable fees and disbursements of the Lessee's independent public accountants for their services rendered in connection with the transactions contemplated hereby;
- (c) the initial (but not the ongoing) fees and expenses of the Owner Trustee and the Indenture Trustee, respectively;
- (d) all stenographic, printing, reproduction, and other reasonable out-of-pocket expenses (other than investment banking or brokerage fees, except as provided in clause (h) below) incurred in connection with the execution and delivery of this Agreement and the other Transaction Documents and all other agreements, documents or instruments prepared in connection therewith;
- (e) the fees and expenses of the Appraiser;
- (f) all reasonable costs associated with the issuance of Refunding Notes and/or Bonds issued to refund the Initial Series Notes to the extent that the proceeds thereof are not sufficient to pay such costs, including, without limitation, the costs of preparing the Financing Documents, all filing fees relating to any registration statement, the reasonable fees and disbursements of the law firms referred to in clause (a) above and those of special counsel for the Collateral Trust Trustee and special counsel for the purchasers (or, in the event of a public offering of such Bonds, those of special counsel for the underwriters of such Bonds), the initial fees of the Collateral Trust Trustee and its expenses through the applicable Refunding Date, rating agency fees, the fees and commissions of the underwriters of such Bonds (if any) and the fees, expenses, and disbursements of the Loan Participants in connection therewith;
- (g) commitment fees, if any, payable to the Original Loan Participants;
- (h) the fees and expenses of Goldman Sachs (including the reasonable fees and disbursements of its counsel), as financial advisor to the Lessee in connection with the transactions contemplated by this Agreement;
- (i) the reasonable out-of-pocket expenses of the Owner Participant ; and
- (j) the reasonable out-of-pocket expenses of the Owner Participant's financial advisor (not to exceed \$37,500 in the aggregate for all undivided interests being sold and leased back by the Lessee on the Closing Date).

Subject to the provisions of Section 9.03, the Owner Participant shall provide funds to the Owner Trustee for the timely payment of Transaction Expenses.

SECTION 9.02. Post-Closing Expenses. The Lessee shall pay, as Supplemental Rent, (a) the ongoing fees and out-of-pocket expenses (including reasonable legal fees and expenses) of or incurred by the Owner Trustee, the Indenture Trustee, Funding Corporation and the Collateral Trust Trustee, respectively, including those incurred in connection with the issue, sale and purchase of Notes and Bonds after the Closing Date, and (b) all fees and out-of-pocket expenses (including reasonable legal and other professional fees and expenses) incurred by the Loan Participants, the Owner Participant, the Owner Trustee, the Indenture Trustee, Funding Corporation and the Collateral Trust Trustee in connection with (i) any Default or Event of Default, (ii) the entering into or giving or withholding of any amendment, modification, supplement, waiver, termination, approval, consent or other action

with respect to any Transaction Document or Financing Document done at the request of the Lessee or (iii) any refunding referred to in Section 2.06 (except to the extent the same constitute Transaction Expenses).

SECTION 9.03. Lessee's Obligation. Notwithstanding Section 9.01, in the event the transactions contemplated by Section 2.05 of this Agreement shall not be consummated, the Lessee shall pay or cause to be paid, and shall indemnify and hold harmless the Original Loan Participants, the Owner Participant, the Indenture Trustee, the Owner Trustee and Funding Corporation in respect of, all Transaction Expenses unless, in the case of the Owner Participant, such failure to consummate shall result from the Owner Participant's default in making its Investment hereunder in which case the Owner Participant will pay the fees and expenses of the Owner Participant's Special Counsel, the Owner Participant's Special Indiana Counsel and the Owner Trustee's Counsel.

ARTICLE X

LIABILITY OF OWNER TRUSTEE AND OWNER PARTICIPANT

The Lessee, the Owner Participant, the Loan Participants, the Indenture Trustee and Funding Corporation each agrees that Wilmington Trust Company in its individual capacity shall have no personal liability whatsoever to the Lessee, the Owner Participant, the Loan Participants, the Indenture Trustee, Funding Corporation or any of their respective successors and assigns for any claim based on or in respect of this Agreement or any of the other Transaction Documents or arising in any way from the transactions contemplated hereby or thereby; *provided, however,* that Wilmington Trust Company shall be liable in its individual capacity (a) for its own willful misconduct or gross negligence, (b) for liabilities that may result from the incorrectness of any representation or warranty expressly made by it in its individual capacity in Section 5.04, in Section 8.02 of the Indenture or in Section 6.03 of the Trust Agreement or from the failure of Wilmington Trust Company to perform the covenants and agreements set forth in Section 6.04, or (c) for any Tax based on or measured by any fees, commission or compensation received by it for acting as trustee in connection with any of the transactions contemplated by the Transaction Documents. It is understood and agreed that, except as provided in the preceding proviso: (i) Wilmington Trust Company shall have no personal liability under any of the Transaction Documents as a result of acting pursuant to and consistent with one or another of the Transaction Documents; (ii) all obligations of Wilmington Trust Company to the Lessee, the Owner Participant, the Loan Participants, the Indenture Trustee and Funding Corporation are solely nonrecourse obligations; (iii) all such personal liability of Wilmington Trust Company is expressly waived and released as a condition of, and as consideration for, the execution and delivery of the Transaction Documents by Wilmington Trust Company; and (iv) this Agreement is executed and delivered by Wilmington Trust Company solely in the exercise of the powers expressly conferred upon it as the Owner Trustee under the Trust Agreement. It is further understood and agreed that the Owner Participant as such shall not be personally liable for, or for any loss in respect of, any action taken or omitted to be taken by, or any representation, warranty, undertaking or agreement of, the Owner Trustee under this Agreement, any other Transaction Document or the Operating Agreement. The Loan Participants as holders of the Notes agree that they will look solely to the income and proceeds of the Lease Indenture Estate to the extent available for distribution to them as provided in the Indenture and that none of the Owner Participant, Wilmington Trust Company (in its individual capacity and as Owner Trustee) and The Connecticut National Bank (in its individual capacity and as Indenture Trustee) shall be personally liable to such Loan Participants for any amounts payable under the Notes or the Indenture or for any liability under the Indenture except as provided in the Indenture (in the case of the Owner Trustee and the Indenture Trustee) or in the Participation Agreement (in the case of the Owner Participant). Notwithstanding the foregoing provisions of this Article X, nothing herein shall be deemed to prevent any party hereto (other than the Owner Participant) from having recourse to and seeking enforcement against the Trust Estate for performance and observance of covenants, agreements and conditions required to be performed or observed by Wilmington Trust Company (in its individual capacity and as the Owner Trustee) in this Agreement and the other Transaction Documents.

ARTICLE XI MISCELLANEOUS

Any such communication shall become effective upon the date of receipt. The Indenture Trustee shall furnish to each holder of a Note a complete copy of each such communication given, received, executed or delivered to or by it pursuant to or in connection with any Transaction Document.

SECTION 11.04. Survival. The representations, warranties, covenants and agreements of the parties contained in this Agreement shall survive the respective participations by the Participants in payment of the Purchase Price of the Undivided Interest pursuant to Article II and the delivery of the Undivided Interest to the Owner Trustee, and shall be and continue in effect notwithstanding any investigation made by any Participant and the fact that the Owner Trustee, the Indenture Trustee, the Owner Participant, any Loan Participant or Funding Corporation may waive compliance with any of the other provisions of this Agreement.

SECTION 11.05. Headings, etc. The Table of Contents and headings of the various Articles and Sections of this Agreement are for convenience of reference only and shall not modify, define, expand or limit any of the provisions hereof.

SECTION 11.06. Parties in Interest. The terms of this Agreement shall be binding upon, and inure to the benefit of, the parties hereto and their permitted successors and assigns, and each Holder from time to time of any Note Outstanding.

SECTION 11.07. GOVERNING LAW. THIS AGREEMENT HAS BEEN DELIVERED IN, AND SHALL IN ALL RESPECTS BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAW OF, THE STATE OF NEW YORK.

SECTION 11.08. Severability. Any provision of this Agreement that may be determined by competent authority to be prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

SECTION 11.09. Method of Payment. All amounts required to be paid by any party to any other party hereunder or under any of the other Transaction Documents shall be paid in immediately available funds in such freely transferable coin or currency of the United States of America as at the time of payment shall be legal tender for the payment of public and private debts.

SECTION 11.10. Reproduction of Documents. This Agreement and all related documents, including (a) the Transaction Documents, (b) amendments, consents, waivers and modifications that may subsequently be executed, (c) documents received by any Participant in connection with the consummation of the transactions contemplated hereby on the Closing Date (except the Initial Series Notes themselves), and (d) financial statements, certificates and other information previously or subsequently furnished to any Participant, may be reproduced by any photographic, photostatic, microfilm, micro-card, miniature photographic or other similar process, and any party hereto may

destroy any original document so reproduced. The parties hereto agree and stipulate that any such reproduction shall, to the extent permitted by Applicable Law, be admissible in evidence as the original itself in any judicial or administrative proceeding (whether or not the original is in existence), and that any enlargement, facsimile or further reproduction of the reproduction shall likewise be admissible in evidence.

SECTION 11.11. Bankruptcy of Owner Participant or Owner Trustee. If (i) the Owner Participant or the Owner Trustee becomes a debtor subject to the reorganization provisions of the Bankruptcy Code, or any successor provision, (ii) pursuant to such reorganization provisions the Owner Participant or the Owner Trustee is required, by reason of the Owner Participant being held to have recourse liability directly or indirectly to the Holder of a Note, to make payment on account of any amount payable as principal or interest on such Note and (iii) such Holder actually receives any Excess Amount (as hereinafter defined) which reflects any payment by the Owner Participant on account of clause (ii) of this Section 11.11, then such Holder shall promptly refund to the Owner Participant such Excess Amount. "Excess Amount" shall mean the amount by which such payment exceeds the amount which would have been received on or prior to the date of such payment by such Holder if the Owner Participant or the Owner Trustee had not become subject to the recourse liability referred to in clause (ii) of this Section 11.11. Nothing contained in this Section 11.11 shall prevent such Holder from enforcing any personal recourse obligation (and retaining the proceeds thereof) of the Owner Participant provided for under Section 5.02, Section 6.02, Section 9.03 and Article VIII of this Agreement.

SECTION 11.12. Confidential Documents. The Owner Participant, each Loan Participant, the Owner Trustee and the Indenture Trustee agree that the Lessee or the Operator may require the execution and delivery of an appropriate confidentiality agreement prior to the release of or allowance of access to any documents, agreements or information relating to the Lessee, Unit 2, the Common Facilities, the Unit 2 Site or the Lessee's operation and maintenance of Unit 2 and the Common Facilities that are reasonably designated by the Lessee or the Operator as confidential or proprietary; *provided, however,* that nothing herein or in any such confidentiality agreement shall prevent or be construed to prevent the Owner Participant, a Loan Participant, the Owner Trustee or the Indenture Trustee from disclosing any such document, agreement or information (a) to any Affiliate of such Person or to any transferee of such Person (or prospective transferee of such Person) that agrees to be similarly bound or, at the option of the Lessee, to execute and deliver an appropriate confidentiality agreement, (b) upon the order of any Governmental Authority having jurisdiction and authority to issue such order, (c) upon the request or demand of, or in connection with any investigation or audit by, any Governmental Authority, if such request or demand shall have the force of law, or by any Governmental Authority regulating the business of banking, (d) that is in the public domain other than through any violation hereof or of any such confidentiality agreement or through any other action by such Person, (e) that has been obtained from any Person that is not a party to this Agreement or an Affiliate of any such party and who was not similarly bound so far as the Owner Participant, the Loan Participant, the Owner Trustee or the Indenture Trustee, as the case may be, was aware, (f) in connection with the exercise of any remedy hereunder or under any other Transaction Document, (g) as expressly contemplated by this Agreement or any other Transaction Document, (h) to any prospective purchaser or lessee of the Undivided Interest, provided that such purchaser or lessee shall have agreed in writing to be bound by the provisions of this Section 11.12, or (i) to the auditors or attorneys of such Person. In the case of disclosure under clause (b) or (c) of the preceding sentence of this Section 11.12, the Owner Participant, the Loan Participant, the Owner Trustee or the Indenture Trustee, as the case may be, shall notify the Lessee before making any such disclosure.

SECTION 11.13. Liabilities of Participants. No Participant shall have any obligation to any other Participant or to the Lessee, the Owner Trustee, the Indenture Trustee, the Collateral Trust Trustee or Funding Corporation with respect to the transactions contemplated by the Transaction Documents except those obligations of such Participant expressly set forth in the Transaction Documents or except as set forth in the instruments delivered in connection therewith, and no Participant shall be liable for performance by any other party hereto of such other party's obligations under the Transaction Documents except as otherwise so set forth.

SECTION 11.14. Waiver of Valuation and Appraisement Laws. To the extent that Indiana law may be held to apply to amounts now or hereafter owed under this Agreement, all such amounts shall be payable without relief from valuation and appraisement laws.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed in New York, New York, by their respective officers thereunto duly authorized as of the day and year first above written.

DEFINITIONS

The terms defined herein relate to the Participation Agreement (as defined below) and certain Transaction Documents executed, or to be executed, in connection with the transactions contemplated by the Participation Agreement. If, and to the extent that, the Participation Agreement shall be amended, modified or supplemented from time to time pursuant to the terms thereof, this Appendix and the Appendix to each Transaction Document that incorporates this Appendix shall be, or be deemed to have been, amended, modified or supplemented concurrently with the execution and delivery of each such amendment, modification or supplement of the Participation Agreement, in order to conform the definitions herein and therein to the new or amended definitions set forth in or required by each such amendment, modification or supplement of the Participation Agreement.

"Additional Bonds" shall mean Bonds in addition to the initial series of Bonds.

"Additional Equity Investment" shall have the meaning specified in Section 8(e) of the Lease.

"Additional Insureds" shall mean the Lessor and the Owner Participant and, where applicable, the Indemnitees.

"Additional Notes" shall have the meaning set forth in the recitations in the Indenture, which Additional Notes shall be issued, if at all, pursuant to Section 3.05 of the Indenture.

"Adjoining Premises" shall have the meaning set forth in the Ground Lease.

"Adjusted Theoretical Return" shall mean Initial Theoretical Return, increased or decreased to reflect changes in applicable Federal income tax rates not taken into account in an adjustment to Basic Rent made pursuant to Section 3(d) of the Lease; *provided, however*, that in determining the amount of any increase or decrease required to preserve the Owner Participant's Adjusted Theoretical Return, it is intended that the Owner Participant's net after-tax yield and net after-tax cash flow (preserving its originally expected aggregate book earnings over the five-year period next succeeding the date of determination) shall each be maintained (or, where one such component must be enhanced in order to preserve the other component, enhanced).

"AEGCO" shall mean AEP Generating Company, an Ohio corporation, and its successors and assigns.

"AEP" shall mean American Electric Power Company, Inc., a New York corporation, and its successors and assigns.

"Affiliate", with respect to any Person, shall mean any other Person directly or indirectly controlling or controlled by, or under direct or indirect common control with, such Person. For purposes of this definition, the term "control" (including the correlative meanings of the terms "controlled by" and "under common control with"), as used with respect to any Person, shall mean the possession, directly or indirectly, of the power to direct or cause the direction of the management policies of such Person, whether through the ownership of voting securities or by contract or otherwise.

"After-Tax Basis" shall mean (i) with respect to any payment to be received by any Indemnitee, the amount of such payment supplemented by a further payment or payments so that, after deducting from such payments the amount of all Taxes (net of any current credits or deductions or other Tax benefits arising therefrom) imposed by any Governmental Authority with respect to such payments (whether or not such Taxes are payable or such Tax benefits are received in the year of receipt or accrual), the sum of such payments shall be equal to the original payment to be received, and (ii) with respect to any payment to be made by any Indemnitee, the amount of such payment supplemented by a further payment or payments so that, after increasing such payment by the amount of any credits or other Tax benefits realized under the laws of any Governmental Authority (whether or not such credits or benefits are received in the year of payment) resulting from the making of such payment.

the sum of such payments (net of such credits or benefits) shall be equal to the original payment to be made. In the case of the Owner Participant, for the purposes of the preceding sentence, it shall be assumed that Federal income taxes and state and local income taxes are payable by the Owner Participant at the highest marginal rates applicable to corporations in effect from time to time and, in the case of the Owner Participant's state and local income taxes, such taxes will be computed on the basis that all items of income, gain, loss and deduction are apportioned 85% to New York, 15% to Virginia and 0% to all other states.

"Applicable Law" shall mean all applicable laws, statutes, treaties, rules, codes, ordinances, regulations, permits, certificates, orders, interpretations, licenses and permits of any Governmental Authority and judgments, decrees, injunctions, writs, orders or like action of any court, arbitrator or other administrative, judicial or quasi-judicial tribunal or agency of competent jurisdiction (including those pertaining to health, safety or the environment).

If such other party does not appoint its appraiser within such thirty-day period, the determination of the first appraiser made within 60 days thereafter shall be conclusive and binding on the Lessor and the Lessee. If within 60 days after appointment of the second of the two appraisers, such appraisers are unable to agree upon the value, period, amount or determination in question, they jointly shall appoint a third appraiser within 10 days thereafter, or, if they do not do so, either the Lessor or the Lessee may request the American Arbitration Association, or any organization successor thereto, to appoint the third appraiser from a panel of arbitrators knowledgeable on the subject of coal-fired electric generating plants and the equipment used or operated in connection therewith. The decision of the third appraiser shall be given within 60 days after his appointment. If three appraisers shall be so appointed, the average of all three determinations shall be conclusive and binding on the Lessor and the Lessee unless the determination of one appraiser is disparate from the middle determination by more than twice the amount by which the third determination is disparate from the middle determination, in which case the determination of the most disparate appraiser shall be excluded and the average of the remaining two determinations shall be conclusive and binding on the Lessor and the Lessee. The obligation to pay the fees and expenses of appraisers incurred in connection with any Appraisal Procedure relating to any transaction contemplated by any provision of the Lease or any other Transaction Document shall be divided equally between the Lessor and the Lessee (except the obligation to pay such fees and expenses in connection with an Appraisal Procedure pursuant to Section 16 of the Lease, which shall be solely that of the Lessee, and except the obligation to pay such fees and expenses in connection with an Appraisal Procedure pursuant to subsection 2.3(a) of the Ground Lease, which shall be solely that of the Ground Lessee).
